

***TIME for Kids* Aligns to the Common Core State Standards**

TIME for Kids helps educators reinforce the NY State Common Core Learning Standards, with a focus on the important ELA Career and College Readiness Anchors of Reading, Writing, Speaking & Listening, and Language. Weekly, the Teacher's Guide also lists each grade level's specific ELA Common Core State Standards for that issue. And because the articles are all informational text, standards for reading social studies, math, and science are often reinforced, as well.

The Common Core State ELA Anchor Standards you will find in *TIME for Kids* are:
